

PT. SOLUSI MITRA TEKNIK

TOTAL INDUSTRIAL AUTOMATION SOLUTION

COMPANY PROFILE

OUR PROFILE

PT. Solusi Mitra Teknik was established in early 2014 as a private company engaged in trading and contracting in the fields of Control & Automation, Instrumentation, Mechanical and Electrical for the industrial sector

We are a combination of reliable young experts who have the competence and work experience in several multi-national companies in Indonesia.

By always emphasizing the professional aspect, oriented to quality, flexibility, innovation and customer satisfaction, we hope to be a partner who can provide solutions for your company or the project you are working on.

VISION

PT. Solutions Mitra Teknik has a vision to become a company that provides goods and services in the field of automation and its equipment on a national scale that is of high quality and can be relied on.

MISSION

Not only being a provider of quality and competitive products & services, we are also a solution to your industrial engineering problems.

BUSINESS FIELDS

The scope of our work includes the provision of goods and services for:

1. Industrial Automation/Control:

- Automation software : HMI / SCADA, Soft Logic Software, OPC Server
- WebAcces + Solution
- Human Machine Interface: Operator panels, Automation panels, Industrial panels
- Machine Automation
- Automation Controller : Programmable Automation Controller & I/O Module
- Embedded Automation Computer
- Data Acquisition & Control
- Remote I/O modules
- Industrial Communication
- Building Automation System
- Distributed Control Systems

2. Instrumentasi :

- *Pressure Sensor & Transmitter*
- *Temperature Sensor & Transmitter*
- *Pressure & Temperature Gauge*
- *Switch : Pressure , Level , Temperature , Flow*
- *Flowmeter : Orifice, venturi, Nozzle, rotameter, electromagnetic , vortex , Coriolis*
- *Level Transmitter : Radar , Ultrasonic , capacitance , displacer*
- *Tank Gauging & Monitoring system*
- *Control Valves & Actuator*
- *Pressure Regulator Liquid & Gas*
- ***Analyzer system : Liquid & gas***
- *Tubing & Fittings*
- *Cable Gland & Accessories*
- *Calibration & Commissioning Tools*

3. CEMS

- *Pengadaan baru CEMS beserta Instalasi*
- *Perbaikan & Penormalan CEMS*
- *Penambahan Parameter CEMS seperti : CO₂, Mercury, NH₃, dll*
- *Kontrak Operasi & Maintenance CEMS*
- *Pengadaan & Instalasi DAS (Data Acquisition System) , DIS (Data Interfacing System)*
- *CGA (Cylinder Gas Audit) Test & Report*
- *RCA (Relative Correlation Audit) Test & Report*
- *Integrasi Penuh ke SISPEK / SIMPEL*

4. Electrical:

- Low Voltage Main Distribution
- Capacitor Bank
- Manual & Automatic Synchronizing Panel
- Automatic Transfer Switch & Interlock Panel
- Automation Electrical Process
- Motor Control Center (MCC) Panel
- Soft Starter
- Inverter Drive Panel
- Calibration & commissioning tools

Some of the industrial sectors we handle:

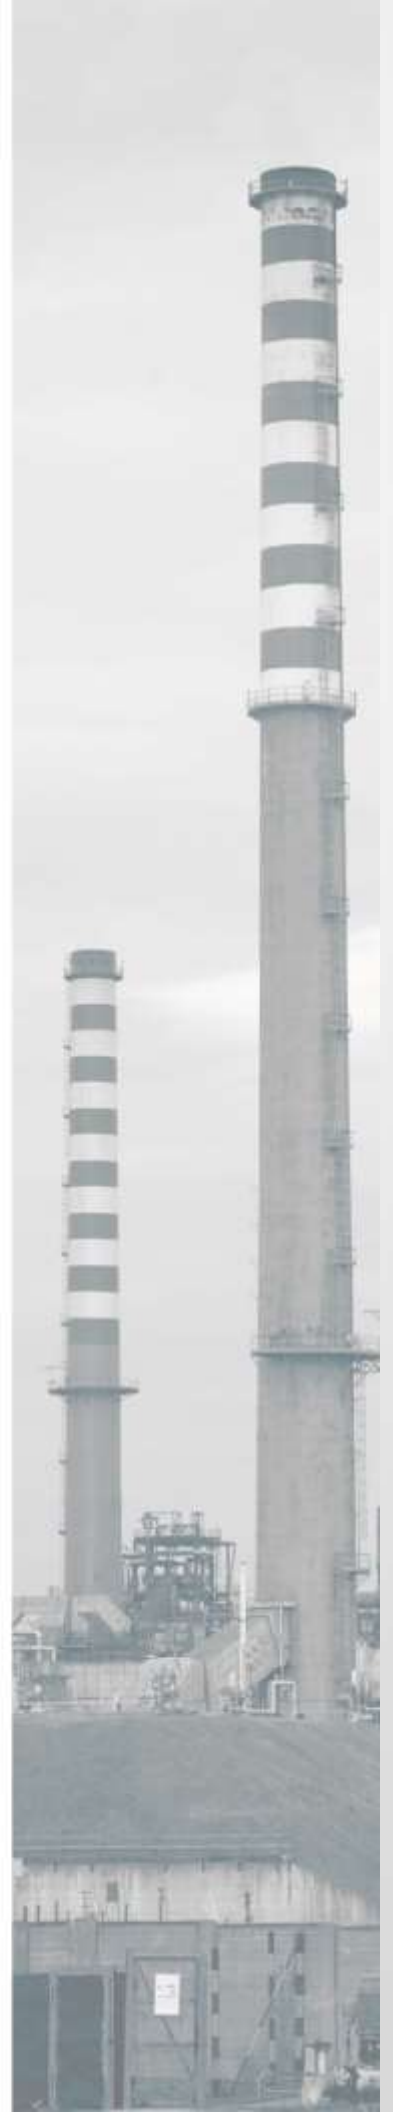

- Power Plants
- Petrochemicals
- Chemical
- General Industries
- Engineering Procurement Construction

Our Product

We are distributors of the following products:

- Sick Gas Analyzer (www.sick.com)
- Hach Liquid Analyzer (www.hach.com)
- ABB Measurements Product
(www.abb.com/instrumentation)
- ABB Variable Frequency Inverter Drive
(www.abb.com/drives)
- Advantech Industrial Automation
(www.advantech.com)
- WIKA pressure gauge & temperature gauge
(www.en.wika.com)
- Proteus Liquid Analyzer (www.proteus-instruments.com)
